

Your best parking option depends on the amount of time you want to spend downtown.

One to Two Hours. Here for just an hour or two? Park at a meter. They're convenient, and our goal is to have one spot open on every block. Enforced Mon.-Sat., 8AM-8PM.

Meter Rates:

\$1.50 Hr. on Federal, Lynde, & Church Streets

\$0.75 Hr. through most of downtown

\$0.50 Hr. on Dodge, Lafayette, & Congress Streets

Note: All of the \$1.50 meters are smart meters. Pay with coins or credit card. The meters have a wireless connection, so credit card information is not stored on the meter itself.

Two to Four Hours. Here for more than a couple hours? Park in one of the many downtown lots instead of on the street. Lots are enforced Mon.-Sat., 8:00 AM - 6:00 PM.

Rates: \$4.00 per day: Bridge Street

\$1.00 Hr.: Church Street West & East; Salem Green

\$0.75 Hr.: Sewall Street; Front Street; Klop Alley

\$0.50 Hr.: Crombie Street & Riley Plaza East

Note: The three \$1.00/hour lots have multi-space meters. You can pay with coins, bills or credit card. You must pay for your entire stay before walking off of the lot.

More than Four Hours. If you're here more than four hours, park in the Bridge Street or Church Street West lots or in the Downtown or Waterfront garages. The Bridge Street and Church Street West lots are enforced Mon.-Sat. 8:00 AM - 6:00 PM and have multi-space meters. You can pay with coins, bills, or credit card. You must pay for your entire stay before walking off of the lot. Garages are open 7:00 AM-10:00 PM Sun.- Wed. and 7:00 AM-2:00 AM Thurs.-Sat. Pay upon exiting. You must pay with cash.

Rates: \$4.00/day: Bridge Street

\$1.00/hour: Church Street West Lot

\$0.75/hour: Downtown Garage

\$0.25/hour: Waterfront Garage
